

\$SNOOZE Official Roadmap & Litepaper

Welcome to \$SNOOZE

\$SNOOZE is not just a token — it's a movement. Built on Solana for the dreamers, the chillers, the meme believers. We're flipping hustle culture on its head with humor, transparency, and community power.

Roadmap: The Path to Max Relax

Phase 1: Catnap & Creation (Status: Completed)

-  Token minted on Solana (1,000,000,000 \$SNOOZE)
-  50% liquidity paired on Raydium
-  LP NFT locked in Squads vault
-  Website and brand identity launched
-  Meme campaign initiated (Twitter, Discord, Telegram)
-  Community wallet transparency published

Phase 2: First Stretch (Status: Ongoing)

- CoinGecko & CoinMarketCap listing submissions
- Onboard early holders & community mods
- Meme contest + sticker pack drop
- 1,000+ holders target
- Twitter/X engagement push with countdown hype
- Light influencer campaign (degen-friendly)

Phase 3: Pillow Empire (Coming Soon)

- Limited edition \$SNOOZE NFT collection
- Branded merch drop (hoodies, eye masks, more)
- Strategic collabs with other meme tokens or Solana builders
- Governance poll for community-led treasury usage
- Meme-to-earn initiatives (yes, you can earn by snoozing!)

Phase 4: The Awakening (Stretch Goals)

- Explore CEX listings
 - Build a chill-focused staking dApp ("Snooze to Earn")
 - Launch \$SNOOZE mobile widgets or screensavers
 - Community roadmap v2: Let the snoozers vote
-
